## QUALITY MANAGEMENT

### Language Assistance Program

**Purpose:** To describe the processes and resources available for IPA employees and providers to ensure that the IPA complies with the Language Assistance Regulations in California. Senate Bill 853, requires California health plans to set up a system where services, materials, and information are provided to members in a language that they speak and understand.

**Policy:** All IPA HMO and PPO health plan members with Limited English Proficiency (LEP) will receive Language Assistance Program (LAP) services upon request. Member requests for LAP services may include interpreter services as well as translation of IPA issued non-standard vital documents and Health Plan issued documents.

The IPA refers LAP requests for HMO members to Anthem Blue Cross of California and Blue Shield of California. These plans offer LAP interpretive and translation services at no cost to the member or provider.

LAP requests related to urgent healthcare services will be forwarded within one business day of receipt of the request. LAP requests related to non-urgent healthcare services will be forwarded within two business days of receipt of the request.

Additional language services information is available from the California Office of the Patient Advocate, [http://opa.ca.gov/report\\_card/languageserviceslob.aspx?Insurance=COMMERCIAL](http://opa.ca.gov/report_card/languageserviceslob.aspx?Insurance=COMMERCIAL)

The IPA will provide resource and referral information for LAP services requested for our PPO members.

In addition, per IPA policy, Access to Healthcare Services, IPA Customer Service Representatives (CSRs) provide written and verbal translation services for Spanish-speaking members. Other language interpretive services are available through Language Line Services (1-800-528-5888). Additional resources are arranged as needed.

Note: US Census 2017 demographic data analysis of Humboldt County indicates that over 88.4% of the population speaks only English; 6.8% have Spanish as their primary spoken language, 1.7% speak other Indo-European languages (French, German, Hindi, Persian), 2.4% speak Asian languages (languages indigenous to Asia and Pacific islands) and less than 1% speak other languages.

**Procedure:** All HMO member communications will include the “Notification of Language Assistance” (NOLA) form approved by their health plan and available on the ICE website. Following are examples of such communications:

- UM denials
- UM delay for additional information or expert review
- Specialist termination letters
- Claims denied as member responsibility

LAP Service Request Documentation and Responses

Requests for LAP services will be accepted from any entity on behalf of the member and will be directed to the IPA’s CSRs. CSR staff will:

- Document details of the request in the member’s information in EZCap using the subject line “LAP”. Information to be documented include:
  - Date and time the request was received
  - Name of person making the request and their contact information
  - Type of request: interpreter services for a visit, translation of document(s), etc.
  - Urgent (respond within one business day) or non-urgent (respond within two business days) nature of the request.
  - Date and time the request was forwarded to the plan (HMO plan members) or information provided (PPO plan members).
- Forward the request to the HMO plan per required timeframes and provide resource information for PPO plan members.
- Scan and attach all related documents to the member’s file.

LAP Service Education

All new IPA employees are oriented to the LAP and their LAP review is documented on the IPA’s Orientation Checklist. Providers and their office staff are notified of the Foundation’s LAP services via the IPA’s website [www.humboldtipa.com](http://www.humboldtipa.com).
